

# TIME TO CHANGE !!

- Staff increased over the years?
- Old firewall starting to cause bottleneck?
- Slow Network?
- Expensive renewals?
- Cannot afford to upgrade?

**TRADE UP FOR MORE POWER WITH LESS**

## TZ 210

Network security can not stand still while driving factors like Web 2.0 advancements, expanding bandwidth and emerging threats rapidly evolve and overtake its capabilities. By leveraging SonicWALL's advanced processing technology, the all new TZ 210 dramatically expands comprehensive protection at a performance level that will not compromise network throughput!
